

CALL FOR COMMERCIAL PRESENTATIONS
SPE Thermoforming Conference – Milwaukee, Wisconsin
September 17 - 21, 2010

As the Technical Program for the 19th Annual Thermoforming Conference and Exhibition – **Thermoforming 2010 “Embrace the Challenge”** – takes shape, we are proud to announce that we will offer our **SPONSORS** and **EXHIBITORS** – for the first time – the unique opportunity to present their new innovations and products in **FREE** 15-minute commercial sessions. If you have new technologies, ideas or products for **THERMOFORMERS**, this is your platform to introduce them to a knowledgeable audience and reach the decision-makers you have been looking for!

LIMITED AVAILABILITY – SIGN UP EARLY!

We urge you to sign up for a presentation as the spaces in our program are limited. Only **SPONSORS** and **EXHIBITORS** are eligible to participate. Our Technical Chairs will review the content of the proposed presentation and have the ultimate decision rights to select the presentations.

Deadline for the commercial presentation entries is February 15th, 2010. To be eligible for the selection process, a full outline of the presentation as well as the name, bio and picture of the speaker has to be submitted by deadline date. The final presentation has to be submitted by July 15th, 2010.

_____ YES, we want to submit a Commercial Presentation for the 2010 Thermoforming Conference. We have enclosed the bio of the Speaker as well as a brief outline of the content.
